Deborah Kay, daughter of Rev. H. Allen and Eileen (Besch) Wirtz, was born May 30, 1957, in Dubuque, Iowa. As a young girl, Deb lived in Estherville where Deb attended school through her tenth grade year. She subsequently graduated from Davenport Central High School in 1975.

In the eighth grade Deb decided she wanted to be a police officer. She attained her Associate of Science degree in Law Enforcement from Black Hawk College in Moline, IL in 1977, and then a Bachelor of Arts degree in Sociology from Buena Vista College in 1980. That same year, she was hired by the Carroll Police Department as the city's first female police officer and graduated from the Iowa Law Enforcement Academy. In 1997, Deb received trauma to her chest, ending her law enforcement career. She was then employed by Lou Walsh Motors until the business was sold in 2012.

On February 14, 1990, Deb was united in marriage with Leigh Davis. Their favorite place to be was next to each other, they were inseparable. The only time they were apart was in 2004-2005 when Leigh was deployed to Afghanistan. Deb was a Family Readiness Group

(FRG) co-coordinator during Leigh's deployment and received many awards in this role. Deb loved being an Army wife and was a great supporter of all soldiers, mailing letters and care packages to over 40 military friends during various deployments and referring to them as "her" soldiers. In 2015, when Leigh's health deteriorated, Deb became his full-time caregiver until his passing on December 29, 2015.

Deb was a faithful member of the First United Methodist Church in Carroll. She was a fan of NASCAR and enjoyed blogging, reading, scrap-booking, and writing letters to family and close friends. She and Leigh enjoyed going on cruises and watching movies at home. Deb took pride in always having a spotless home and considered her pets, Bowser, Bear, Bandit and Blooper, all deceased, her children. Deb donated her hair four times to Locks of Love, and arranged for a 5th and final donation to be made after she passed away. She wanted to be remembered for being kind to everyone.

Left to cherish her memory are her mother, Eileen Wirtz of Carroll, IA; sister, Vicki McGowan of Moline, IL; brother Allen (Nancy) Wirtz of Glendale Heights, IL; nephews and nieces Luther Wirtz (Emily Heninger), Brendyn Wirtz, Sydney Wirtz, Melissa McGowan, Debbie (Travis Pulse) McGowan, Anna Rath; great nieces/nephews Olivia (Connor Coughlin), Sydney, Brooklyn and Manuel and great-great niece Mikayla; Step-son, Steve (Vanessa) Germany; grand-daughter Taryn.

Deb was preceded in death by her beloved husband Leigh in December 2015; her dad, Rev. H. Allen Wirtz; cousins Brian Besch and John "Jack" McCullough; her grandparents and several aunts and uncles.

“ We lived next door to the Wirtz family in Estherville and Deb often was a babysitter for our young children. We loved the Wirtz family and will always have fond memories of Deb.

“ I was one of the few that had the privilege of being part of Deb's "blue family". She touched so many lives, both those in uniform and out. Her law enforcement career was cut short by health problems and thoroughly HATED leaving the job, but she continued to "Back the Blue" years after her medical retirement right up until her death.

Anyone who knew her knows there were four passions in her life: The Chicago Bulls, her law enforcement career, God and her husband Leigh. Leigh and Deb's relentless love and affection for one another had no equal. The day Leigh died, no doubt a big part of Deb died with him. We should all strive to have a love like the one they shared.

So now, my friend, your long wait is over and you are once again reunited with your beloved Leigh. Give him a hug from Theresa and I and say hi to Phil, Dave, Bill and the rest of the "old crew" that preceded you.

You will be missed, Officer Deb. God bless and God speed.

“ I graduated with Deb at Davenport Central. She was a great gal and I enjoyed staying in touch with her via Facebook. I know she was a wonderful caregiver to Leigh and she struggled so much after his passing. God has now wrapped them both in his arms. Peace to all the family.

“ Deb and I went to college together at Buena Vista and reconnected when I lived in Carroll back in the late 80's. I was at her surprise wedding! Leigh and I worked together at the paper. I moved away in 1989. She reached out to me on facebook.

She was an extremely upbeat and kind person. She absolutely loved Leigh. I'm glad they are finally together. Rest in Peace Deb. You will be missed. Lori Hudson

“ Deb was a kind warrior...those words may not sound right together, but they are true. She was the female law enforcement, survived many health issues, champion of many causes...and loved her husband with warrior devotion to her last breath. I am proud to have known her...

When it was maybe my 6 or 7th bday, she pulled me aside and gave me a j m&m necklace and told me that I was sweet and that necklace reminded me of her.... life long impression...

I am so deeply saddened at her earthly passing, yet thankful... she was faithful to the end — loving God and sharing her lens of life as one who was facing the end. She shared her last live video on FB a couple weeks prior to death And I gut wrenchingly sobbed with her, as I watched. That was one more way she was transformative.

Everyone was a friend. Kindness was her way. She had no agenda - she just loved people.

I'm all the better for knowing her. I will miss Deb forever.... I am thankful she has flown to Jesus and reunited with beloved Leigh...

May her sweet loving ways never be forgotten. Love you, Deb Jen

“ I am amazed as I read through Debs obituary. I have such fond memories of her at Estherville and was able to reconnect with her a few years ago. I remember her as a kind and gentle soul and it looks like serving others was a fixed part of her character and life. My deepest sympathies to your family

“ Deb & I started on the Carroll Police Dept. in 1980. We were the same age. She would tease me about being older by just two weeks. We worked together regularly until she had to leave due to her heart condition. She was good with the people of the community. When someone dies, you realize how fragile life can be. So many emotions & memories flood your mind. God's speed. Officer Deb Davis 10-42. Doug Peters, Denison PD
