Born on June 15, 1930 at Carroll Iowa, Donald was the Son of Lawrence and Mary Wieland

d. He grew up near Carroll and graduated from Carroll High School in 1948.

On April 21, 1952, Donald was united in marriage to Evelyn Masching at Sts. Peter and Paul Catholic Church in Carroll. Don was drafted into the United States Army in the fall of 1952 and proudly served the country in the Korean War. After Don's military service he and Evie made their home in Carroll Iowa for a brief time, before settling on their family farm north of Carroll. Where he lived until Evie's death in 2017, then moving to Westwood Knolls Retirement Center.

Throughout his life Don was a devoted husband and father and ran the farming operation which was a true passion. Don "Oink" spent many years working at the Carroll Livestock Auction (Sale Barn) and ended his working life mowing fairways at the Carroll Municipal Golf Course. Don really enjoyed gardening and He and Evie always had a large garden even though every year they swore they would not make as big of one the next year. If you knew Don, you knew he enjoyed putting puzzles together and wore out many decks of cards playing solitaire. Don was a friend to everyone and never met a stranger. When travelling he would always find people to talk to and he enjoyed learning where everyone was from. Mostly Don enjoyed his family and spending a lot time with all of grandkids, great grandkids and family get-togethers.

Left to celebrate Donald's life are his children: Steve (Mary Lou) Wieland of Westside, Tom "Tank" (Joni) Wieland of Carroll, Pam (Ron) Smouse of Springfield MO and Patrick (Katrina) Wieland of Denver CO; and son-in-law Dennis Klocke of Templeton; 13 grandchildren and 15 great – grandchildren.

“ My sympathy to Don’s family on his passing. I have many great memories working with Don on the block of Carroll Livestock Sales. Don was always as reliable as the day is long. We survived sales that went long into the night or were freezing cold or hotter than Hades. But we always had fun along the way. Miss the camaraderie we all enjoyed at CLS.

“ My sympathies to the Wieland family.

It was almost 50 years ago that I met your Dad when I started working at the salebarn with him. We became such great friends despite our age difference. We worked together every week and we also “socialized” a lot. It’s impossible to list all the good times we had together and even some of the bad, but he was a great influence on me. Once the barn closed down, we didn’t get to see each other very much, but when we did, we sure had a lot of memories to share. It was a privilege to get to know all of you and to watch all of you grow up. Don was one of the hardest working guys I knew and I will always remember him as a great friend and mentor. I will keep you all in my prayers.

Sup those pigs Don!
