“ Bob and his partners welcomed me and my partner Dave Kinser to Carroll in 1983. He was so encouraging and thoughtful to include us into his Carroll friends. Bob would light up the room with his smile and banter. Always fun to be with Bob and June at our office parties or state meetings. Your legacy will live on in your loving family. Susie and I will miss you. We feel fortunate to share so many fond memories of Bob. God bless.

“ Bob was not only a great uncle, he was a great husband, father and friend to so many.
Many fond memories including listening to his, Felix's and my father Jim's escapades while fishing in Canada. Bob was always our "beaming lighthouse" when returning to shore. My thoughts and prayers go out to his family.

“ Fond memories that go back to high school days and many trips between Breda and Carroll. A friendship that continued through high school and blossomed during our days at Creighton. Fondest memories come from our numerous hunting and fishing trips to Netly Marsh, Delta Marsh, Reed Lake, Lake Nunguesser, and Lake of the Woods. Later on :an investment in Flyway Farms with Paul, Bill, Duane, Pat, Bob and me . Then came our annual duck dinners with our wives and the antics of our friend Ken, a lifetime of fond memories never to be forgotten.

“ Uncle Bob was the best! Ever since I can remember he always took a sincere interest into what was happening in my life. I have so many fond memories from my childhood with Bob, June and family that continued well into adulthood. One of my favorites was a trout fishing trip to Northeast Iowa where my young son at the time was able to join. Uncle Bob’s passion for fishing and spending time with friends in the outdoors had a profound and lasting impact on my son and I that I am eternally grateful for.

My deepest sympathy, he will be missed by all!
