“ I was so pleased to see the community tribute in the Observer. Hadn't seen "Eddie" in many years. He and Jimmy were always gracious and made time for their Texas cousin when I came to Iowa every summer. I can't bring up a single memory when he wasn't smiling! I see the same smile in his picture here. It is so good to hear his life

was such a blessing to those around him. Praying for his family.

“ Katie and all, Such a nice farewell-- I think ED is the only one I ever heard call you "Kathleen" and said it with heart and love, I grew up with all the Lawlers ,and practically spent 40% of our time over there-- so I have way too many memories to share, but our "friendly" card games were my favorite ones, of late- Toasting at 0930 am is a bit early for me, but "the Top O' the Mornin to Ye". - I was with you in prayers from California... Much love to you all, The Irish eyes really are smiling (from heaven !). A good send off this morning! Only wish Pat could have done a little fly over with Johnny as co-pilot!

“ Katie and family - Our deepest sympathy to all of you. While we haven't connected much since we moved back to Omaha I have recently been driving past the old homestead off 60th St. and think of you guys each time. I remember the Sunday breakfasts and get togethers. You guys will always have a special place in our hearts. And it just happened that I did have some irish handy so I was able to do the special toast
