“ Mrs. Schultz was one of our instructors at DMACC LPN class of 73. She was a beautiful lady with a beautiful heart and soul! In clinicals, she instilled in us the importance of kindness and understanding. As Program Director, she kind of “mothered” all of us young students. I was lucky enough to have visited with her a few times throughout the years, such fond memories. God bless you all at this difficult time. Connie Blum, BSN

“ Schulte family: Joan was one of the sweetest women I have ever met. She had a lovely smile and was happy to talk about her china painting. She was a true artist! I am so happy to have some of the things that she created. They are treasures. She was always so humble about her artistic talent. Thank you for sharing so much of yourself with so many Joan. You will be missed! CJ Niles

“ To all my cousins, I want to express my sympathy. I am a daughter of AJ and Julia Poeppe. There is so much I didn't know about Joan but there are some great things I did know. I know that she was so very talented with many things especially painting. I saw her at a restaurant in 2009 and we had a nice visit with a pic of her and I. Great memory. She will be missed by all her family.

Sending thoughts and prayers for all of you

“ To Joan's family,

We all have many fond memories of Joan. We loved her! To honor her memory, and her love of flowers, we are planting a rose bush on the south side of St. Bernard's Church.

“ To the Schulte family....sorry to hear of your mom's passing. As a young "city" girl I always enjoyed going to your farm to spend the day with Collette. You were always a lively bunch coaxing me to jump from the barn loft into hay, play with frogs in the creek, run barefooted everywhere. Your mom was always around, gardening & baking goodies & if you pushed me too far from my comfort zone she would intercede in her gentle way & let me know it was ok not to participate. She was a beautiful lady. My thoughts & prayers are with you.
