Lynn was born on February 16, 1959 in Hamilton, Ontario, Canada, the daughter of Frank and Betty (Forrest) Pearcey. She grew up and graduated high school in Hamilton. Following high school, Lynn went to dental school in London, Ontario to become a dental assistant. After graduating with her degree, she returned to Hamilton to work as a dental assistant. For many years, Lynn worked at one dental office for multiple dentists, but for the last five years of her career she worked for a couple of different dental offices in Hamilton. In 2011, Lynn moved to Marshalltown before moving to Carroll a little over 7 years ago. On April 4, 2015, Lynn married Sheldon Kirsch in Carroll.

Lynn was someone who could start a conversation. She loved talking to people. Lynn was also a fan of social media, specifically Facebook. It was a way for her to keep in touch with

friends and family from a distance, but also to share photos. Lynn enjoyed watching TV and listening to Andrea Bocelli sing. But most importantly, she loved her friends, her beloved cat Sammi, and her family. Especially her loving husband Sheldon, and her “little” brother Don.

Those left to cherish Lynn’s memory include her husband Sheldon of Carroll; her brother Don (Janice) Pearcey of Grimsby, Ontario; siblings-in-law Curt Kirsch (fiancée Kim Hackett) of Carroll, Russell (Cindy) Kirsch of Glidden, Brad (Carol) Kirsch of Carroll, Amy (Tony) Niehaus of Platt City, Missouri, and Amber Kirsch (fiancé Jeff Babe) of Breda; several nieces and nephews; her loving cat Sammi; and many other wonderful family members and friends in the United States, Canada, and Scotland.

She was preceded in death by her parents; and her father-in-law and mother-in-law Jerome and Shirley Kirsch.

“ My beautiful cousin Lynn. Lynn was a funny, kind and beautiful girl inside and out. I am still trying to take this in. Since first meeting her in 1986 when I went to Canada with my Gran, we shared so many memories. She looked after me so well along with her brother Don and the rest of our families (too many to name them all here). Lynn and I would get up to a bit of mischief and we shared so much banter together, her calling me tubs and me calling her chubby. She then put my own family up when we went to Canada in 2007 and again looked after us so well. When Lynn came to Scotland, we visited many places and shared so many laughs. I am struggling to realise that I will never see her again and it hurts. It's so true that you can't choose your family but I would've chosen you in a heartbeat. Thinking of Sheldon, Don and Janice and all of our extended family. Fly high Chubby, will love you forever. Mandy, Tim, Conor, Cammie . xx

Lynn and I have known each other and have been friends for 60 years. We lived next door to each other on Deschene. When any thing, good or bad would happen in my life she would be the first person I would tell. I will miss her so much.

“ Sending out lots of love to Sheldon and Don and the rest of Lynn's family and to her friends! Lynn and I grew up together in Hamilton, Ontario on the same street and she and Laura Howarth were my first friends! I have many great memories of all the fun times we had playing "Operation" and other games at each others homes! We reconnected about 5 years ago when Lynn found me on facebook! We had a wonderful video chat last December and it was so wonderful to see her beautiful face. We had talked about somehow meeting in person again, but that was not to be! Love you Lynn and RIP! It is hard to believe you are gone! xoox

“ My wee Cuz Lynn was one of the brightest, funniest people I've known. When she came to Scotland in 2006 and visited my mum who was almost 92 years of age, she had my mum laughing like a ten year old with her stories and the people she met in different circumstances. Lynn got along with people whether she knew them or not and was interested in their lives. We took her to the People's Palace and Winter Gardens where my daughter, Lynsey, was to be married the following summer and Lynn thought it was great and a lovely place but she was also interested in the man and woman (ushers) at the door, with whom she swapped stories. She brightened up their otherwise, boring day. That's the kind of person she was and will be missed by all who knew her and loved her but especially her husband Sheldon and brother Don. With much love from all of us here in Scotland. Marilyn, Billy, Lynsey, Kev and Rory, and in Australia, Billy, Sharon, Billy jnr. and Carson. Jim, Lin and Julie in Gloucester and Allan in Toronto Canada. x

“ It's been quite a few years since I spent time with my cousin Lynne but I attended a "Cousin's Party" in August 2007 & remember it with fondness. Lynne was a great host with a great sense of humour & a huge smile. Since I live 40 miles away & there was a wee bit of alcohol consumed, Lynne put me up for the night with Mandy & family & we had a good laugh the next morning. On behalf of the Leggates (Marilyn, Jim & myself), our thoughts are with her brother Don & her husband & family
