“ Ron I'm glad I got to know you we had a lot of laughs together. We got to know each other's families I got to meet your sons and you got to meet my older brother. We both love them very much And always will. I would go out in the sun and play with my dog When I came back You would be looking out the window I had a hard time talking you into going outside I only remember you going out once. I would tell you what was going on around town. Then we have a cup of hot chocolate or a cold drink And wait for dinner while we Waited for supper He's eating and laughing with the others at the table. I'll miss you But I don't know where you are and that will Always be in my heart I love you Ron. That was 1 thing I couldn't get you to say And that was I love you I tried many at times But you would never say it back But that's okay some people have a hard time doing that Jesus Will make you say I love you. I hope to see you in heaven Amen

“ So sorry to read about Ron passing. When we were doing Communion at the nursing home we always sat down & talked to Ron. He always made us laugh. When our Uncle Wink was in there he took him under his wing & helped him with everything. He was such a great guy & will miss seeing him when we go visit Gary's Aunt that lives there. Will keep him in our prayers!

“ Ronnie was one of the first in the family to welcome me in. We shared many things about the family at the kitchen table in his home. He was a joy to be around and always had a good laugh about everything in life that deserved it. I will miss him and my heart goes out to the Pietig family! RIP Ronnie

“ My sincere condolences to Ron's family. My mother lived at Accura for several years. When Ron learned her name was Evelyn, he began saying "Hi Mom" whenever he saw her at mealtimes-as Evelyn was also his mother's name. When I told him I had a brother named Ron, he said "Hi Sis" whenever he saw me. Ron was a great guy and I really enjoyed visiting with him. May he Rest In Peace.

“ Ron was very good to our dad, Bill Schon. He ate meals with our dad for over 3 years and when our dad's memory got worse, Ron would come to our dad's room and tell him it was time to eat. Dad would follow Ron, both in their wheelchairs, to the lunch room. Ron even helped dad with selecting a menu. Ron knew what dad liked for food. We all thought very highly of Ron. He helped our dad immensely! Bill & Dorothy Schon family

“ As a first cousin, growing up I always enjoyed any time I spent with Ron at family gatherings and other occasions. I remember him as always being cheerful with a big smile, very friendly, and fun to be with. That same feeling carried through whenever I saw him in later years. My sympathy to his children Tim, Jeff, and Scott and their spouses, to his granddaughter, and to Doreen, Joleen, and Bill. May Ron rest in the peace of Christ.
