Aura Lee was born on January 13, 1963 in Sioux City, Iowa and welcomed home by her loving parents, Kenneth and Sheila Burkett and three older siblings.

Aura Lee spent her younger years in Le Mars, Iowa until her father's business

brought her family to Carroll in 1974. She graduated from Kuemper High School, class of 1981. Aura Lee married Dean Sibenaller on May 7, 1983 at St. Lawrence Catholic Church in Carroll. To this union they were blessed with five children, Joe, Erin, Krystle, Taylor, and Jordan.

Aura Lee had a heart of gold and enjoyed caring for animals, rooting for “the underdog,” gardening, and scrapbooking. She was a dedicated and compassionate advocate to the elderly as an Activity Director at St. Anthony Nursing Home. One of her significant contributions that has become a beautiful tradition is that of “The Bucket List” for her residents.

Most of all, she loved spending time with her children and grandchildren. They were the light of her life and she was theirs. She spent most of her weekends traveling to visit them and hoped to retire closer to them in the near future. Her family will remember her as an amazing mom, grandma, and friend- always thinking of others before herself.

Aura Lee is survived by her husband, Dean Sibenaller, children Joe Sibenaller, Erin (Darin) Hynick, Krystle (Allen) Hergert, Taylor (Jordan) Miller, and Jordan Sibenaller, grandchildren, Jessie and Ellie Hynick, Chase and Logan Miller, Wyatt Hergert and Baby Hergert on the way, sister Bryce (Dennish) Custodio, brothers Jake (Cheryl) Burkett and Clay Burkett, sisters-in-law Joyce (Doug) Clark, Nancy (Mike) Schultes, Lisa Fuller and brother-in-law Richard Sibenaller as well as many nieces and nephews and close friends and work family at St. Anthony Nursing Home.

She is preceded in death by her parents Kenneth and Sheila Burkett, parents-in-law Dominic and Jacqueline Sibenaller, brothers-in-law Ronald Sibenaller and Gary Fuller, and sister-in-law Joyce Sibenaller.

The family would like to thank Ed Smith, Dr. Collison and the staff at St. Anthony Hospital for the wonderful, compassionate care they gave Aura Lee

and family during her illness. They went above and beyond, and it won't be forgotten.

“ Aura Lee was one of those speical people in ones life, a good friend, one keeps in touch with through the years! We worked together many years at St. Anthony Hospital, in their Nursing Home, before my retirement! We continued that friendship through past years since then, getting together to visit now and then to share updates about family, friends, pets, and our life in general! Aura Lee's, laughter, smile, and friendship will be greatly missed, but she will never be forgotten!

In loving friendship, Sharon & Marty PEARSON, Sac City

Must comment to add the following: Aura Lee's family, are the best, and she loved them all so very much! Their support she received in her brief illness was awesome, to say the least, by each of them! She loved them deeply!

Aura Lee was a wonderful person to have as Activity Director at S.A. back in days of good health when I worked there,too!! She never failed to go "the extra mile" for the residents and their families! She gave of herself, from her heart! She enjoyed her work and it showed to all around her! I loved working along with Aura Lee, and she was always willing to help anywhere she could! Our deepest sympathy to each and everyon of her family!

Aura Lee, told my husband, Marty and I she was "ready to go"! She was calm, loving, and giving of herself,, even during this unexpected illness she was dealing with!!

Aura Lee, deeply loved all her family, absolutely! We had 2 last conversations together, during her last 2 weeks, able to visit at hospital, and her loving words and mood were such, that I will never forget! She loved! Yes, she loved! She shared with us, and showed she understood her situation best she could! Our loving sympathy to all her family! Marty & Sharon Pearson
