“ I’m so sorry for the loss of Belinda. What a void she will leave in your life. Be glad knowing you two shared the best kind of love. Not something everyone gets to experience! I have nothing but fond memories of her as a friend, classmate, Maid of Honor. She was such a bright spot in our family. I will treasure those memories forever.

“ Kelly, my deepest, deepest heartfelt condolence losing Bindy! You two were destined to be together, soulmates. I remember way back when, watching your love connection unfold. I met Bindy when she sold ads for the paper. She was so sweet, so understanding, soooo trustworthy. She left a lasting impression on me.
