Born on September 11, 1937, in Carroll, Iowa, Bernard Luke Janning was the son of John B. and Theodora R. (Schoeppner) Janning. Bernie attended

school in Mt. Carmel and later graduated from Our Lady of Mt. Carmel High School. After completing his education, Bernie made a living doing Terrazzo and Tile, eventually owning his own business from which he retired in 2010. Retirement didn't keep him away from the shop he loved and committed his life to, he was there every day to keep a watchful eye to be sure that things were getting done and "correctly". The man just couldn't give up the work he loved and couldn't keep himself from staying busy all the time. He was a member of St. Lawrence parish and was very passionate about his faith. He was also a member of Knights of Columbus for many years as well as Pheasants Forever.

He was married to Arlene (Surman) Remm, and they made their home north of Carroll where he resided until his death. Bernie thoroughly loved all things hunting and fishing; whether it be casting the line or shooting the gun himself or telling his or someone else's story about fishing/hunting trips (and he went on many), he was also an avid collector of fishing lures and reels and made various displays to showcase them using his woodworking skills, which he also used to craft many wooden cutting boards that he took great pride in making and gifting to many of his friends and family. The man was always busy working or tinkering with his hands. He liked spending some of his Saturdays going to auctions to buy "things he couldn't live without." He also enjoyed watching and talking sports and was very educated about them, he was a big fan of the Iowa Hawkeyes and the Creighton Blue Jays. If the weather was nice (and sometimes not) he could be spotted on the front porch watching the traffic and by the sound of the horns going by most people knew to glance over and see if he was out. He loved having visitors and especially enjoyed his daily hugs from his granddaughter Emmie.

Left to cherish his memory are 3 children; Sheila Walker of St. Petersburg, FL, Kreg (Katherine) Janning of Appomattox, VA and Darrin (Sheila) Janning of Carroll, 3 stepchildren; Gerry (Brenda) Remm of Arlington, NE, Lou Ann (Rick) Carter of Lincoln, NE and Donna (Darin) Hanson of Lincoln, NE; his sister Lois (Dan) Mein of Leavenworth, KS; sisters-in-law: Mary Lou Janning of Carroll,

Diane Janning of Glidden and Julia Janning of Glidden; 14 grandchildren, 9 great-grandchildren, more extended family and countless friends.

Bernie was preceded in death by his parents; his beloved wife Arlene; sons Bernard Troy and Kevin; stepson Ronald Remm; granddaughter Allia Janning; his sisters Dorothy (Art) Becker and Louise (Darol) Grossman; his brothers: John (Mary Ann) Janning, Lawrence (Jean) Janning, Jerome Janning, Kenny (June) Janning, Lowell Janning, and Ernest Janning, his sisters-in-law Deloris Wortman and Kathleen Bunn; his brothers-in-law Norbert Surman and Wilfred Surman.

“ Oh Bernie you will be missed! I remember the first time I met him. I was spending the weekend with friends in Carroll. Bernie pulled up next to us driving around and started drag racing and handing Hershey's to his kids in the back seat. As we were in a car with some of his employees he invited us to his place for a beer. I liked him from the start. Told him he had to meet my aunt in West point, ne. He said to bring her to Carroll sometime. As a widow with 4 kids not happening. Anyway as luck might have it, him and crew ended up doing tiling at IBP in West point. My aunt Arlene was an immaculate house keeper and to her dismay Bernie started pulling mms from her couch cushions on their first meeting. We still suspect Bernie planted them being the joker he was! Any way the rest is history. Thank you Bernie for the Thanksgivings spent with you, Arlene and family. Always enjoyed the turkey and smoked salmon. Our sympathy goes out all you kids. Sending love, hugs and peace.

Our thoughts & prayers go out to the family. So many wonderful memories, too numerous to list ... such as holidays (especially Thanksgivings at their home), parties, and just everyday life with a very, very special family. What we will always remember is the unconditional love Bernie provided to my aunt - his wife Arlene, he brought a smile to her and a twinkle in her eyes. The twinkle may have come from some ornery pinch or joke he had just shared, either way, they seemed happy with each other and the family they shared reflected that contentment.

May your family find comfort & peace to face the days ahead & allow the loving memories to hold tight in your hearts. Hugs! Sincerely with love, Ginger & Myren :)

“ *Our deepest sympathy to the Janning family! Bernie was our neighbor and during our travels he was always the watch dog over our place. Bernie loved his fishing trips and we always had a supply of fresh fish in our freezer. We had mulberry trees and he would ride over on his four wheeler and pick fresh mulberries. When we were working outside Bernie would come over on his four wheeler just to visit! Whenever we had a storm and trees were down, he was there to help! We will miss him tremendously! “ I offer my sympathy to the Janning family on the loss of Bernie. Our Nieland family lived across the highway from the Jannings. We rode to school together and oftentimes Bernie was the driver. There were a lot of us all crowded into the car when we were headed to Mt. Carmel school.
