Bernita was a novice quilter, but she took great pride in making a very unique and personal quilt for each of her grandkids for their High School Graduation. She would also make sure she always had her famous cookies and cinnamon rolls ready for every occasion. She held several jobs but can be most remembered for her many years working at Commercial Savings Bank in

Carroll as a bank teller. She enjoyed playing cards and being with her family and friends. She and Clayton also enjoyed jumping in the car at the spur of the moment to go see their kids and grandkids-usually unannounced which was always a great surprise.

Most of all, we never tire of hearing how sweet of a lady she was.

“ So sorry for the loss of Bernita. I worked with her at Commercial Bank- she actually trained me. She was a joy to work with! She loved her family and shared that with her co-workers! I think of her whenever I make her recipe for Calico Beans, a family favorite! My sympathy to you all. 🙏🙏🙏

“ *Bernita and the Broich family are very special to my parents, my sisters, and me. We have such fond memories of the times we shared together. Each time spent together was filled with lots of joy, and a considerable amount of laughter. I will always remember Bernita for the kindness she showed my family, and especially to my parents as they grew older. Her gentleness and compassion was evident to anyone who she touched. Our thoughts and prayers are with the entire Broich family during this time.*
