“ Wishing all the family the best of memories of Betty. I'm sure Joe helped prepare a beautiful spot in Heaven to welcome his big Sister. Mom was so glad to be able to attend her last birthday party, cherishing their last event together.

“ Will always remember the days that I got to go with Dad during baling hay days with all the Danner brothers and nephews. I got to help make potato salad, and it's still my favorite! I also remember helping cut apples while we sat in front of the TV watching one of her soap operas. She said “ it's just like having your friends over when you watch it every day!”
Truly a great lady... Rest in peace! May you enjoy your long awaited arrival at the pearly gates ❤️ Love, Kathy
