“ *My favorite memory of Bill Badding is when he took us to Swan Lake when we were kids. We all piled in the back of the car with no seatbelts (of course this was in the '80s). Bill drove us around the lake taking the corners sharp. We would fly from one side of the car to the other belly laughing the whole time! This memory of Bill is precious to me! My prayers are with you Badding Family. May the good memories flood your heart and bring you peace. Love and support from Arkansas- Rachael (Quandt) Wehn*
