“ *My sympathies to Bruce's family. As our Auto Owners field rep, we always enjoyed seeing him on his regular visits to the office and the photos of his grandchildren. He was an inspiration as he fought his battle and witnessed his faith in God. May your days be filled with memories and the reassurance that he is at peace. “ Jeanette & family: I have lost one of my closest "guy" friends from the Class of 1969. We had many good laughs which continued on especially the past 4-4 1/2 yrs. Bruce was the most positive & most driven person I have ever known. He was so proud of his family. Especially of those precious little granddaughters. I loved & use his saying alot: "It's all about making memories for those grandbabies". RIP peace Good Friend. Barb

“ Bruces family, I grew up in Klemme and was a year ahead of Bruce in high school. He was my paperboy! Also caught up again with Bruce and Jeanette when you lived in Garner. Kept in touch with Alice when she was at the Hardware store but have lost track the last few years. Sorry for your loss and everything everyone has had to go through. Bruce was one of the best! Thinking of all of you and keeping you in my prayers. Tally Albertson

“ To the Bruce Brinkman Family, I'm so sorry to hear of your loss of Bruce. Bruce and I played slow-pitch softball together in Sheffield. He was a great individual to be around, and you should be proud of what he did. He will be missed, but the memories will live forever!!

“ Our thoughts and prayers are with you all. We enjoyed the opportunities we had to meet and visit with Bruce here in Fairmont. (Of course, what we liked best is that he was usually wearing Hawkeye attire.) You are all in our thoughts and prayers. May your memories of his smiles, enthusiasm and energy bring you peace and comfort.

“ Please accept my sympathies to your entire family for your loss. I knew Bruce during the years he was with Farm Bureau. Most recently was able to visit with him a couple of years back at Brad Coulter's place and have kept up with his battle somewhat through Brad and Bruce Jones. I think Bruce certainly put up a heck of fight but really believe that he is now at peace.

“ *Our thoughts and prayers are with your family. I was Bruce's teacher and coach at Klemme and remember him as one of the best football receivers that I have coached. He was always giving his best efforts as I am sure he did during his struggle with cancer. Peace be with you.

“ *Our sincere sympathy. We will miss his laugh and good humor. Every time we talked to him, he was so positive. We know how he so appreciated all his family. Time goes so fast for those of us healthy, we forget how slow time must have been for you and sad we didn't get to come see him in person since Curt's fall. You've been in our prayer and thoughts always!!! Diane and Curt*
