When I was a young girl my great Aunt and Uncle Nell and Fred Tovey lived next to Carol. I would go over to visit the Tovey's and play with Carol all the time. She was my age and one of my best friends. Time has taken a toll and I married, we moved away and I lost track of Carol. We moved back to Coon Rapids 9 years ago. The first Memorial Day I went to the Tovey's burial site to leave some flowers as they had no family. There were flowers there already. I wondered who put them there. Each year I would repeat the flower laying and always there was another person who did so also. One day I saw Carol in a store in Carroll and asked her about the flowers. She had been putting those on their graves for many years! I wasn't surprised to know that because that was who she was!! Saw her about a month ago and we talked for a little bit but I could see she wasn't really well. We promised to get together but time has prevented that. Rest in Peace Carol! You deserve to be in heaven for all the wonderful deeds you have done for so many. Love Forever. Kathy Davis Kretzinger
