“ Linda, Eric, and family, I was so saddened to hear about Denise's sudden passing. We shared so many wonderful times together at church and during youth activities. Denise always had a smile and a hug ready for everyone. I cannot imagine how hard this is for all of you. My prayers will be with you now and in the days ahead. If there is anything at all that I can do, please let me know. I love you all.

“ Pooh Bear, I am so sadden to hear this news. Growing up together in our little neighborhood has so many fond memories flooding back in my mind. Life has a way of being unfair,taking you so young and sudden, but I know you are in God's hands now. My heart is hurting for your husband, Mom & Dad, Eric, your kids and myself. You will be dearly missed, my friend. My deepest sympathies to your family. Your Childhood friend, Cindy.

Thank You Cindy - I want to extend our family's deep appreciation to you and your kind words. This has been very hard to digest. Our fond memories of growing up are to be cherished as we were lucky to have had such a wonderful neighborhood to grow up together. I understand your feelings that it takes things such as this to bring us back together. The love the neighborhood had with all our families will forever be remembered. Thank you again to you and your family for the many years of friendship and love. - Eric Smitherman
