Deborah Kay Larsen, born on July 6, 1954 in San Juan, Puerto Rico, led an extraordinary life. She dedicated herself to helping others by volunteering with the Red Cross at just 14 years old prior to attending nursing school in Texas. Deborah's passion for nursing carried her through a successful career until her retirement in 2019 at the age of 65. On April 1, 1992, she united with her beloved husband, Robert Sterling Larsen, and together they embarked on many adventures during their travels. Eventually, they settled in Lake City, making it their cherished home. Deborah's family was her pride and joy. She is survived by her husband, Robert, and her children, Susannah (John, Merrick), Jeannie (Tesa, Hannah, Ashley (Alex), Emilee), Paul (Lillian, Lauren), Marshall (Jessica), and Megan (Johnny, Courtney, Vanessa, Claudia, Emma,

Rachel, Aniyah). Deborah's love and support for her family were unwavering. She had a special fondness for real Christmas trees and enjoyed watching HGTV. Nana's craft projects were a testament to her creativity, even if they were never quite finished. Deborah K. Larsen was called home to our Lord on Saturday, October 21, 2023. Her memory will forever be cherished by those who knew and loved her.

“ I met Deb for the first time years ago when she arrived at the Hospital where I worked as an OB Tech. I was always a "nervous nelly" and was quite new in the role of an "OB Tech." Deb was so kind to me and helped me get my feet planted, I grew in confidence because of her care. From that time together we had a friendship that was nice and steady, always by phone yet so appreciated. I will miss being able to just call and talk about everything. She will forever be in my heart and that is where I will continue to speak with her. My love to her family and just know you can always speak your heart too Deb. Miki B
