“ Prayers and condolences from the children of the Verlin & Phyllis Danner families. Diane was one of two of the Brauckman girls that baby sat for our family growing up many years ago when we were rural neighbors southeast of Glidden. Our paths did not cross often over the past years but when it did a memory always brought about laughter. Rest in peace.

“ Am heartbroken to hear of Diana's passing. Lila would come to Des Moines and I would get to go to the farm for a week. She and I would have so much fun and get into trouble. Sincere sympathies sent to Leon and children and all her brothers and sisters. Am sure she is tending to all of God's gardens with her parents and talking up a storm. Sending love and prayers to all.

“ I am sad to hear of Diane. For me she had a distinctive voice I could close my eyes and know it was Diane. I got to know Diane more after a summer of walking beans with Diane and Daryl and my sister Sandy and myself. You sure get to know someone when u walk beans with them and then we went to the Kennedy farm to the sunflowers. Also got to spend some time with the older ones when a few got to have sleep overs with grandmother Teresa,,,,,she was kind and we had some great laughs together. She will be missed actually she is already being missed by many,,,,,Judy Brauckman
