“ My prayers and sympathy to the members of the Bricks family. My mom lived next door to him and he was always so kind to her and watched out for her and she did the same for him as she shared the garden. I enjoyed visiting with him when I came home especially when he mowed mom's lawn. He will be missed by mom and also me when I get home. I nice guys and a good sense of humor. He seemed to know everybody. He and all of you will be in my prayers these coming days. God bless Fr. Merlin Schrad Estherville, Iowa.

“ We extend our love and prayers to all the Brincks family. We will treasure the visit we had with Don on our last trip to Iowa, where he surprised a cadre of cousins with his presence. Don had a way of "just showing up."

My sympathies to all the Brincks family. I think Don made a trip or two up to Minnesota visit us, and we saw him on our visits to my cousins down there. I believe when we were young in the 10 to 14 age we would write letters back-and-forth. Remember him being very tall for his age. Please be assured of my prayers. – Father Stan Mader, cousin
