“ Much sympathy to Mike and the kids and the family. Donna was so friendly and welcoming to me when I was a new bride. Not being from Carroll County, I felt a little unsure of myself, but Donna was so nice and made sure Dave and I were included in all the neighborhood card parties, that I soon felt part of the group. I remember one card party at their house in the middle of summer and the kids were watching "Christmas Vacation". Pretty soon we were all watching it and laughing hysterically along with the kids!

Donna was a great organizer of get togethers in the neighborhood. One summer she invited us all over for a pool party for the moms and kids in the neighborhood when they got a new pool. It was so much fun watching the kids swim and the moms visited.

There were so many occasions when she would call and say we were going to celebrate a birthday or anniversary and to come over to play cards, mostly Euchre. I also remember when there was a fire in the neighborhood and she organized a bunch of us in the neighborhood to bring cleaning supplies and food to help clean up after the fire.

When I was teaching in Halbur, Donna would come to conferences and listen patiently to whatever I told her. I'm sure she was thinking that I couldn't tell her anything she didn't already know about kids!

Donna will be greatly missed and when I look over the fields to where the Stitz family home is, I think of Mike and Donna and all the fond memories we have.
