“ Doris was my second mom when I was growing up. We lived across the street and my little brother and I spent a LOT of time at their house. She let us dress up in her old gowns, make messes, made snacks for us and watched Dark Shadows too! She was very giving and I loved her laugh. Glad that you are now home and able to keep an eye on everyone, Doris! God bless you all. Prayers and hugs.

“Two traits that described Doris were Integrity and Compassion. Integrity was a part of Doris’ “fabric”. She just could not tell a lie, and would not just tell what you wanted to hear. She always told the truth, but in a disarming, helpful and mild mannered way. Being compassionate was really Doris’ trademark and it was genuine! Working with Doris at the St. Anthony Hospital Food & Nutrition department, she was so kind and understanding to all ages, from the Nursing Home Residents to our young employees to the point many staff affectionately spoke of her as “Grandma Doris”. I saw Doris as a role model to me and to those she worked with. She reflected St. Anthony’s Franciscan heritage through her courteous service to others. I found her to enrich all of our lives by providing her compassionate care through the kind words, the smile on her face, and the comforting feeling you get when you spoke with her. It’s like you were home! Doris was a selfless person, who was a role model for all of us, her friends and co-workers had nothing but the utmost respect and appreciation for her and we will miss her. Personally, I am a better person for working with her and knowing her. We will keep Doris and her family in our prayers.

I have to agree whole-heartedly with everything Matt says above. While I only worked with Doris for a short time, she left an impression on me for a lifetime. She was a very sweet, caring lady whom I will miss dearly. Many thoughts & prayers to everyone, family and friends, who also loved Doris!

“ We all loved Aunt Doris and have so many happy memories visiting all of the cousins and family growing up. Iowa has always been like a second home while traveling with my family while my parents were in the Air Force. We would go visit the farms and family for our 30 day leave. I will always treasure all of the memories we had with the Broich family and send our sympathy during this difficult time.
