“ *I have many happy memories of Elmer and Edna visiting me with my parents at various navy bases. One of my favorites is the early morning that we were on the Pearl Harbor Memorial and Edna received word that her father had passed away. She felt that was very fitting. Your mother gave me numerous cross stitch bread towels that I still have. A life well-lived.*

“ Thank you for sharing your Mother with me. I just finished watching the funeral and I wish I could have been there with you. I guess that is one blessing of the COVID-19, that we can feel like we are there at least a little bit. I remember how your Mom and my Mom (Louise) always had some good laughs, especially at the Dalhoff reunions each Christmas in Halbur. My prayers are with all of you as it is very difficult to lose a mother. Happy memories will carry you through with the help of Jesus and the eventual peace that only comes from heaven. I still cry for my parents, but its only because I will always miss kissing, and hugging them. Don't forget to look for those pennies from heaven. I just found one today. The angels from heaven always seem them to me when they know I will be needing one. Take care, I Love you cousin....Mary Jo from North Myrtle Beach, SC

“ Randy, John, Bill, Carol: Sorry to hear of the passing of your Mother. Since we were neighbors, I always felt close to Edna and always had a nice conversation with her when she and my Mom were at the Swan Place. Your Mom and Dad had the opportunity to see a Shuttle Launch which was great, glad to see them enjoy it. Hope you are all well,

“ Dear Randy, John, Bill, Carol and Families,
Please accept my heartfelt sympathy at the death of your mother,
mother-in-law, grandmother and great-grandmother, Edna. She has
gone home to the Lord as we enter once again into these high holy
days of his passion, death and resurrection. May she who journeyed
faithfully with him in his way on earth now come with him to the
eternal glory of his earthly journey in the fullness of life in his
resurrection. I will offer my Mass, tomorrow, Palm Sunday for her
eternal rest and for your consolation.
