“ Aunt Sally worked with a church group making the most awesome rugs from leftover fabric. We have had seven of those rugs (beds for our Shelties) for over ten years now; they are just like new (machine wash and dry). Thank you to Aunt Sally and the church group. You're missed already, dear Aunt Sally. Marilyn, Todd Tillman and Shelties. 🙏❤️🙏💙

“ I had the privilege of teaching at St. Lawrence in the early 80's and truly savored the depth of Sally's friendship. She was so kind, generous, and quietly caring for all the kids and staff. One winter we had Mass every morning in the school cafeteria. That was especially fun because I got to visit with Sally twice each day! Heaven has gained a gem and we give thanks for the gift of eternal life, where we will meet again, never to be parted. May God bless you all as you celebrate this awesome lady!

“ We were so sad to hear of your moms passing. My family (Al and Virginia Schenkelberg) would love to stop by your parents home when ever we were in Carroll visiting our grandparents. Your home was always full of fun and laughter.
One of the last times I saw your mom, I had brought my mom from Le Mars to our home in Des Moines and we stopped to see her on our travels. At the time my mom was 99.
The two of them sat on the couch and visited and shared stories and giggled. It was so precious to witness.
Your mom was always so sweet and endearing.
We are keeping you all in our thoughts and prayers. We understand the void and emptiness you are feeling. May your wonderful memories give you strength.

“ I did not have the privilege to meet Ms. Schenkelberg but I have heard many stories from Jeff. I would imagine that she was intelligent, patient, caring, and had an insatiable sense of humor because Jeff has the same traits. I cannot tell you how sorry I am for your loss. Jeff, Debbie, and the entire family, please know that someone in Ohio is thinking about each of you tonight, and my heart hurts for you. Take care my friends.
