“ *I want to share with you, I worked with Fay at American Home Shield back in 1993. The year of the big Flood, I could not get back home to Coon Rapids, and she was so generous to let me stay at her home. We didnt get much sleep as we were up most of the time looking out the bedroom window as the water was roaring down the street and watching the trees in her yard blow and bend to and fro. It was a memorable time that has stayed with me all these years. My thoughts and prayers are with Nancy and all of your family.. May God be with you all in your time of sorrow.*
