“ As a child growing up in a large family a birthday might bring a birthday cake but was never a large celebration, unless you had a God Mother like my Aunt Gladys.

I'd anxiously wait by the window and watch as she'd exit her car carrying a gift wrapped present to my door with this huge smile on her face and twinkle in her eyes. She would never forget my birthday. She was like Santa Clause. She always made me feel loved and like one of her own.

She had a way to bring joy and happiness into the room and into your heart. She truly is an angel.

While my heart breaks knowing I can't pick up the phone and talk to her, I know she is smiling down on all of us and the twinkle in her eyes has become even brighter.

I am so very sorry I will not be able to attend the services with all of you but please know you are in my thoughts and prayers.

“ *Our deepest sympathy to you Cindy, Brenda, Sharon and your families. Aunt Gladys was always willing to lend a hand or just sit and listen. So many memories in my heart growing up with her and you three. I will say that her many giggles and smiles will for sure outweigh the scoldings we got when we were in trouble. She had the kindest heart and did a wonderful job passing that on to the three of you. She held a special place in our hearts and her love for family continues and we will make more memories. Love and hugs.
