Born on October 7, 1953, and raised near Templeton, Iowa, Glenn was the son of Harry and Dorothy (Kraus) Behrens. Glenn followed in the footsteps of his father, Harry, embracing a life rooted in farming and community. In 1981, he married the love of his life, Susan Krajewski. Together, they raised their three children on the family farm near Templeton, instilling in them the values of hard work, integrity, and love for the land.

In 2013, Glenn and Sue moved to Murray, Iowa, where they continued their farming legacy. Glenn managed cow-calf pairs, raised and fed cattle, and built a peaceful haven for his family. Most days were happily spent at Sale Barns doing what he loved as an Order Buyer. His passion for livestock was evident in every aspect of his life.

Nothing brought him more joy than his seven grandchildren. Whether it was tractor rides, feeding the farm cats, fishing, or simply sharing stories, Glenn cherished every moment with his “buddies” and “lucky ducks.”

Glenn was preceded in death by an infant son, Brett; parents, Harry and Dorothy Behrens; parents-in-law, Norbert and Crescentia “Sancy” Krajewski; and two sisters-in-law, Margaret Fries and Barbara Krajewski.

He is survived by his beloved wife, Sue; his children and grandchildren: Brenna (Hugh), Lauren, John, and Ryan O'Donnell; Brian (Katie), Carson and Nolan Behrens; and Bruce (Keeley), Calvin and Cameron Behrens. He is also survived by his siblings and their families: Randy (Jean) Behrens, Ken (Vic) Behrens, Jayne (Kevin) Pietig, Dave (Patsy) Behrens, Connie (Dan) Holmes, and Keith (Marianne) Behrens.

In lieu of flowers, the family asks that donations be made toward establishing a future scholarship for youth pursuing careers in livestock management.

Tribute Wall

“ Dear Behrens family thank you so much for sharing your husband, father and grandfather with me. He was one of the best men I have ever worked for and worked around. I learned a lot from him that I will use the rest of my life not just in cattle, but how to live as an honest fair man. I remember times working cattle in the mud and RayDean getting drugged down by a calf and getting covered in mud. A few close calls with some protective mamas. late night with him in the calving barns. First time he met Natalie he told me she was a keeper. I remember Glenn driving the old blue truck until it didn't have enough power to even pull itself out of the ditch when he accidentally backed it into the ditch. Won't forget the excitement he had when he told me he was going to be a grandpa. He'll always hold a special place in my heart. Love you all.
