Jim Strautman was Born February 4, 1927 in Wien, Missouri, the son of Bernard and Theresa (Palms) Strautman. He grew up as a hard-working farm boy who was intensely loyal to and supportive of his family throughout their lives. Jim was a World War II veteran, serving with the occupation forces in France and Germany for two and a half years. He was also a Korean War Veteran who served with the 96th FA Battalion on the frontlines for 5 years. During intense fighting near the end of the Korean war he was awarded the Bronze Service Star for meritorious service. In his career, he reached the rank of Captain.

Jim received a Bachelor of Science degree in agriculture education from the University of Missouri in 1952 and a Master of Science degree from Iowa State University in 1958. He also earned post graduate honors in counselor education. Jim taught vocational agriculture at Bayard High School for two and a half years before accepting a position at Kuemper Catholic High School in 1956. Jim's career at Kuemper included teaching agriculture and physics as well as serving as a school counselor for a total of 31 years. He retired from Kuemper in 1987 to pursue his passion full time of his Christmas Tree Farm businesses he started in 1962. On May 30, 1987, Jim married Joan Olesen.

Jim was always interested in soil conservation and in growing trees. He was one of the founders of the Iowa Christmas Tree Growers Association and served as its first vice president. He was elected president of the association and served 5 years. He also served on the board of directors for 19 years.

For over 50 years, Jim loved working at his tree farms promoting Iowa trees and providing a cut- your-own family holiday experience for generations of Iowans. He planted, pruned, and cared for his trees personally alongside his children. Jim always said that Fraser firs were the best and added that the beauty of a Christmas tree is in the eyes of the beholder.

Jim was a member of St Lawrence Church, a member of the American Legion and a life member of the Veterans of Foreign Wars. In May 2015, Jim and his granddaughter, Sarah, made the trip on the Honor Flight from Des Moines to Washington, D.C. to honor all veterans.

“ *We knew Jim through his marriage to Joan. He was somewhat quiet and very kind, and was always so good to Joan. When we would visit, he would proudly show us the back yard which is so beautiful. He was very proud of his trees and so knowledgeable. We always enjoyed visiting with him. Our hearts go out to Joan and family,*

“ *My sympathies to the Strautman family. I valued the the days working with him on the staff at Kuemper Catholic High. Kathie and I, as well as our children, enjoyed visiting his tree farm south of Glidden, picking out a fresh tree for our house at Christmas, and having Jim cut it for us. He will be in my prayers.*

“ I’m sorry to hear about Jim’s passing. Mr. Strautman was a big influence in my life. I grew up in Carroll on Court Street down the hill from his home by the water tower. He encouraged me to do what I loved and ended up back in Carroll Chief Engineer at Carroll Broadcasting. Whenever I would see him he would always stop and visit. In high school I would help him film and video tape the sports. I would stop and see all the slides he took. He was really nice about sharing his interests. I made a couple trips with him to the tree farm by Ames. He was a good man. Rest In Peace Jim. Bob Grote
