“ *Janet always had a huge smile and a laugh you could hear 2 grocery aisles away, that is why we got along so well. I met Janet through my husband. Janet always stopped and said hello, even if she was busy, she sure made time for you. She really loved to talk about her kids and RJ her grandson. She had pictures to show every time. Janet is reunited with some of her closest friends, and will certainly be glowing with pride about her family. Janet, you will be very much missed, love and thoughts for your family at this moment ❤️*
