Jill was born on September 19, 1976 to Stephen and Rosalie Greiman in Albert Lea, Minnesota. She was raised in Lake Mills, Iowa, graduating from Lake Mills High School in 1995. She was captain of the flag team, active in band, and spent many summers lifeguarding at the pool in Lake Mills.

She went on to study education at Iowa State University, graduating in 2000. She spent 17 years working with students as a teacher and eventually Dean of Students at Goodrell Middle School in Des Moines, Iowa. Her family lead her to Carroll, Iowa in 2018, where she was actively serving as the Vice Principal of Carroll Middle School.

Jill married Tyler Gustafson in Scarville, Iowa on February 23, 2019. The family spent their first few days post wedding, enjoying each other's company while stuck in what happened to be one of the worst blizzards in decades.

Jill's passion for life was apparent in everything she pursued. Teaching was her passion, but she knew no stranger, and believed anyone could succeed. She was an advocate for all students, young and old, and their families.

When she wasn't working with students and faculty, she could be found supporting the loves of her life, her children Claire and Aden, and her niece and nephew Bryce and Jersey. She spent many weekends with her family in Nebraska at the cabin or cheering on the Huskers football team. Despite her time spent in Nebraska, she was always cheering for Iowa State as well.

Left to celebrate her life include her loving husband Tyler, children Claire and Aden; her parents Stephen and Rosalie Greiman, sister Christine and husband Chris Budach, children Bryce and Jersey all of Lake Mills, IA; in-laws Alan and Jeri Gustafson of Urbandale, IA, Rachel and Eric Krofta, children Kani, Ash, and Cait of Ames, IA; and Aleece and Bailey, children Grae and Mara of Council Bluffs, IA.

She was preceded in death by her grandparents, Walter and Dorothy Greiman of Kirksville, MO; William and Esther Gentz of Northwood, IA; and cousin, Jeff Gentz of Forest City, IA.

In lieu of flowers, Jill's passion for education and her students can continue to live through donations to the CCSD foundation, an academic booster supporting students at Carroll Community Schools. Memorial donations may be mailed to CHS Foundation, PO Box 314, Carroll, IA 51401 or made online at <https://chsfoundationk12.wixsite.com/chsf/donate>

“ MRS, Greiman and I shared a strong bond while I was enrolled at Carroll Middle school. She was always the one person I could come to without being judged. I remember when I got adopted her and her daughter both picked out a gift for me, It was a necklace and lip gloss and a buckle gift card. I still have that sweatshirt I bought with that money. When I moved away she always called my parents asking how I was. She had a smile that just made my day better even if it was already good. I will always have her in my heart. I love you so much Mrs. Greiman! Fly high!

“ I just found out about Jill's passing. I am utterly devastated. Jill and I had a long friendship while we both lived in Ankeny. We worked out together for years. We were one another's cheerleaders to get our workouts in. We spent countless hours discussing life on our walks - especially about family and education. Jill is one of the kindest and hardest working people I know. She always believed in the goodness of others. She was the one friend who would text me yearly on the date of my dad's passing. She was so thoughtful. My heart is just broken. I'm so sorry for her family. I know how much you all meant to her! I love Jill. I miss her. She is an angel.  
Love,
