“ What a sad loss. Her dry sense of humor, wit, and proofreading abilities were second to none. She was such an important part of the Region XII family. Deepest sympathies to John and her family.

“ Olberding family: I was saddened to learn of JoAnn's passing. I always enjoyed interacting with her when I was in contact with Region XII, which was very often when I was working at the Chamber. She was friendly, efficient and did her job well, in addition to giving great customer service. She will be truly missed by many.

“ *Dear Olberdings, I am so sorry for your loss. I enjoyed knowing JoAnn over the past years. From meeting her during the years our boys, Jered and Chris played little league together to getting to know her much better after I joined Region XII. JoAnn was my teacher when I joined the staff. She helped me learn the programs I was responsible for and she showed no mercy for errors. I loved her honesty and devotion to detail. I will miss visiting with her and our occasional lunch dates. She was a dear friend.*

John & family,
I, too, worked with JoAnn for 5 years while employed by Region XII. We were both "Arcadia" girls and enjoyed keeping up on what was happening in each other's families and lives. She always greeted people with a smile and a few kind words. When I left Region XII, I worked with John out at WWK... so in a certain way, I could still keep up with what was happening in the lives of the Olberding family! ... such wonderful people!!
May you rest in peace, JoAnn!!
