“ To Surge and family,
Please accept our sympathy at this time of crisis and loss. Joe is remembered as a strong man always willing to help a person, If we were in the same place as Joe, you were sure to talk to him and have some laughs before the night was over. He will be remembered by us for siding our big barn and also remodeling our outside garage. Most of all we thank him for his service to our country-a good Iowa boy. We should have told him that. Again - our sympathy.
