“ I just heard that Karen passed. My deepest sympathies to her lovely family. I was fortunate to care for Karen, and her brother Gene before I retired as the CF Rt in Omaha. Karen was a hard working woman who so loved her family. I'm sad she's gone.

“ The angel wings she was gifted took her up to Heaven. God received another good one.
The picture is so her. Always had a smile and never complained. She lived her life to the fullest. Her family always came first and she will be watching over ALL of you.
It was (is) an honor to know her.
Rest Peacefully Karen.

“ *So Sorry for loss of a amazing fighter. Working with Eileen and talking about past time growing up around the corner from where Karen and her family was raised. We had some good talks and Eileen was a strong sister and always by Karen's side when she was able to be. Not a day went by where Eileen did not think of her strong sister Karen. Prayers to all of you and hope the memories stay close to your heart.*

“ *Karen was the best sister you can have. Always there for you. Even when she was sick she would still worry about everyone else. Family was Karen's number 1 part of her life. Her laughter and spunk will forever be missed. She loved Marty, the girls and grandsons so much. Fly high my beautiful sister, you are pain free now and home with Mom, Dad and Gene. You are our guardian angel. Love you forever*
