“ *Kathie was always a cheery, upbeat college friend at Duchesne College in Omaha. We carpoled to student teach Senior Year. She was so in love with you Vern and through the years we exchanged the proverbial Christmas letter filled with pride of her family. I particularly remember Michael.
Please give her parents my love and to all the family as well. She is at peace and wishes the same to all of us as we await our eternal homecoming celebration together once again.*

“ *Henkenius Family,*
Our thoughts and prayers are with all of you in this time of grieving. It is often so easy to say that a loved one is in a better place when they have been ill, and even though that is true, that alone does not take away the pain....especially the pain of losing such a loving woman. May God bless all of you and keep you strong through this difficult time.
Turn to God, family, and the wonderful memories all of you have!
