“ *Kelly was one of the most caring people on the staff at Opportunity Living. He was always willing to take on any task or assignment that would improve the lives of the clients we served. He was great to work with and appreciated his staff in their efforts to provide activities and opportunities to improve clients' lives. He loved his work, his sports (everything Hawkeyes) and especially his family. Our thoughts and prayers go out to Tory, and the rest of his family. Dave and Sara Staver*

“ Sympathy to Kelly's family! I got to know and respect Kelly when he worked at New Hope Village. He was such a great example at advocating and leading by action for our clients and for the staff. He never asked his staff to do anything that he himself was not seen pitching in and doing. He had one particular client that developed such a closeness to him. That bond last a long time! When it was the day for our Physical Therapist to come to New Hope, he would often stop into therapy and talk Hawkeye sports with a fellow Iowa supporter. We Knew that for the next few minutes, they both loved being able to share the interest! Thanks for always having the best intentions for others who needed the support.
Rest in peace Kelly!

Thoughts and prayers for you all,

Mr. Von Ehwegen is spot on about Kelly being an athlete. He was cat quick and deceptively strong. Fierce competitor on the basketball court. He was a dependable co-worker who cared deeply for the residents and staff of Opportunity Living. Man you are gone way too early Kelly. Rest in peace. Dave Linder
