“ I miss our conversations, planning my visit with you in 2011 was so heartfelt, due to my health at the time canceling our reunion broke my heart.  
However , knowing that Larry is my Biological Father was a prayer answered, and for him as well , sharing pictures of his biological grandson , and his phone call thanking me for forgiveness, as he spoke to us over the years , I'm so thankful that He was able to have the opportunity to speak with us on many occasions.  
I do miss your voice ,laughter, as well as some of our tears. Years have passed , sun rises, sun sets ,oh how I longed for the day to see you in person, the Lord took you sooner then we were expecting. I'm so grateful for the last conversation, and love you shared with me .

“ So very sorry to hear about Larry. He was such a great and talented guy. I remember as a teen, Larry, Mom & Dad (Wayne & Nancy Hanson) would sit around the kitchen table and talk. (Mom was the JP at that time) I got to sit in sometimes. He told such funny stories about people he worked with and things that happened to him and other highway patrolmen. Great guy. Debbie

“ I was shocked and saddened to learn of Larry's sudden passing. Larry and I first met early in his career when he presented me with a citation after a traffic accident I was involved in. Some years later I had the opportunity to work with Larry during my career in law enforcement. Though we haven't had contact the last couple of years, I will miss his wry sense of humor and friendship. He was a devoted father and dedicated Trooper. #184 will be missed.

“ I'll miss talking with Larry at the Alumni Banquet. It was a great time to catch up on his latest joys and activities. I still remember hiding with Larry in the lumber yard during the Junior-Senior Hunt. He gave us many moments to remember. Our sympathy to Lois, Lonnie and Lorraine and your families. To the grandchildren, be assured that his stories about you always told us that you were his treasures of his life.

“ Please accept our sincere condolences in Larry's passing. For several years I was a DCI agent assigned to Post #4 in Denison. During that time it was an honor and privilege to serve with Larry. All of you will be in our thoughts and prayers.
