“ We have such fond memories of Lisa. She, along with her sisters, helped us a lot when we had three kids under 4 years of age. They babysat, helped paint our house and just had a lot of fun!! Lisa was fun, a hard worker, a kind person and she had a beautiful smile. May she be at peace. ❤️ Kevin and Cindy Lawler and family

“ Lisa was like a big sister to my daughter Mikaela when she moved into the area. They worked together at HyVee. On occasion, Lisa, her kids, and Mikaela would treat my mom with a pizza party at my moms house. And when I was able to visit, Mikaela, Lisa and kids would meet us for dinner. Their friendship lasted even when Mikaela moved back to Minnesota and they kept contact since. I will always be thankful for her Big heart and friendship towards my daughter. My heart is truly saddened. You will be missed. My mom, Bev sends her condolences as well. Rest In Peace Lisa and I'll continue to keep your kids in my special thoughts....

“ I had the wonderful opportunity to teach each of Lisa's children either in preschool or 1st grade. She was always so proud of her kids and was such a wonderful and caring mother. When I would see her around Carroll, she always would wave and have a smile. Your children will now carry on your smile in their hearts. I pray for your family at this time, may the prayers of all those that care about your family be heard and be felt by those three sweet kiddos!
