“ *Have wonderful memories of growing up (across the road) with Bert & Louise as neighbors. They put up with a lot of shenanigans from the Tigges kids! Always enjoyed our visits in later years when we returned to Carroll. Louise was such a caring, loving person...a true inspiration! May eternal light shine on her as the angels welcome her into Paradise! My sympathy and prayers.*

“ *My earliest memory of Louise goes all the way back to her wedding to my brother, Bert Klocke. From that day on, she was an integral part of the Klocke family. She planned family get-togethers-always being present to our family with her easy smile. There was no one more caring than Louise and this was demonstrated the last twenty five years when she loved and cared for her daughter, Cheri. They were inseperable partners sharing the family home, going to church, going for walks and going on little excursions in the Carroll area. She was well known in the community due to her part-time job at Hy-Vee. She was a fixture there where many community members recognized her and greeted her on a regular basis. Her friendly smile and greeting will be missed. This was a very strong woman who loved her husband and daughter very much. The extended Klocke family will miss her very much. She willl leave a hole in our hearts and will be missed dearly. God speed her to her final reward. We love you very much. Ron & Linda Klocke (Brother-in-Law and Sister-in-Law)*
