“ I (Donna Steffes Ocken) am sending our deepest sympathy for the loss of your Loving Mother. I remember Mom (Hilda Steffes) loved telling us how much fun her and your Mom had together playing cards bingo or sharing food because all they had to do was walk across the street. Great Friends. Hopefully a few of your many loving memories of your Mother can replace a few of your tears.

“ Margaret was a double Aunt to my brothers and sisters meaning she was our moms sister and Eugene was our dads brother. We spent many visits at each others houses . One thing I remember most when staying there — she made the best pancakes with home made syrup. Loved her smile and her laugh .Im sure she is having a good reunion with her loved ones
