Herman and Alita (Stangl) Bauer. He attended St. Mary's Grade School in Willey and then stayed home to help his father on their family farm. Marlin completed his schooling in 1976 receiving an Iowa GED. On May 5, 1962 he was united in marriage to JoAnn Wiederien; to this union eight children were born. Marlin was a great mechanic also owning and operating Bauer Repair where he rebuilt car engines, semis, tractors, and could literally fix anything. He had a passion for farming and tractors; his favorites being Minneapolis Moline and Massey Ferguson. “ *My sympathies to the families. I've only known Marlin for a few years- through his job delivering hog feed to my farm. If I knew Marlin was bringing feed I would try to assist on one set of bins because it wasn't very handy lining up. He was always glad to see me and we had some good chats while the feed was unloading. We both enjoyed it. He was one of those 'characters' that you meet in life. From what I knew of him you should be proud of the life he led. I was shocked and saddened by hearing of his passing, he will be greatly missed -Doug Carter*
