“ I remember when I was little, went to visit Mary at NHV. She had such a clean room - lots of things in the closet or dresser drawers (she like to pack things away!). Then, I looked up above her bed and found a Tom Selleck poster back from the days of Magnum P.I. She was so proud of that poster. :-) Loved walking through the door at Christmas, etc. and see her curled up on the couch watching TV. She fit right in.....and her eyes always twinkled when she saw our younger kids. She earned her wings and left a legacy with her beautiful smile. God Bless~

“ Dona and Families, Thinking of you during this difficult time. I so loved and enjoyed your sister Mary and Mrs. Baumhover. Mary was the first person I met 39 years ago at NHV. I was waiting for my interview and Mary came in smiled, rubbed my face, said Hi, and told me she was Mary. Then hugged me and left laughing! I knew then I had made the right choice! Mary was a sweet heart and I have a special place in my heart for her. She will be missed. God Bless you all! Jim Boyd
