I grew up with this great girl from swimming at the country club through out the summers. To going to school events and hanging with friends until I graduated and left to join the military. Mary was a great friend I loved being around her and having fun. Thoughts and prayers to your family. Love and miss you sweet angel.

“ *Mary embodied such love and kindness. Her smile and laughter was infectious and there is no doubt to me that she had her wings before she left us. She was always sweet, always happy and had a smile for everyone that crossed her path. Her dedication to her family and friends was undeniable. Just one look at her Facebook page was a testimony to how much love she had to give. Her kindness and love will never be forgotten and she will live on in our hearts. ~ Jill Masching Green*
