“ I just learned the news about Micheal's death. He worked for me at the Colorado School of Mines Research Foundation in the early 1970's and we stayed in touch after we parted ways. Mike was a fine gentleman and I'm totally shocked. We spoke last in August and I hoped to see him later this year. My condolences to all of his family.

“ I was so sorry to hear about Michael. Seems like he lived a full life. And I am sure your family has many wonderful memories of him. At times like this the Bible comforts me so much. John 11:11-44 shows when Jesus resurrected Lazarus. Jesus said that Lazarus was just sleeping and then he resurrected him. He was showing what he would do on a grand scale soon. Jesus said in John 5:28&29 there would come a time when those in the memorial tombs would hear his voice and come out. This would also be at a time when Revelation 21:3&4 says there will be no more tears, pain or death. This would all happen when God's Kingdom comes, the same kingdom that Jesus taught us to pray for in the Lord's Prayer. What a wonderful prospect for Michael and all those in the memorial tombs now. We express our deepest sympathy. We hope you find comfort in this time of loss

“ My sincere sympathy to the Heider family. I was a classmate of Mikes all through school, since kindergarten. At last years class reunion we had a long visit and I was so happy to see him. I am sad that I will not be able to attend any of the service for Mike. Please know that my thoughts and prayers are with the family and Mikes friends.

“ So sorry to hear the sad news about Mike. He was always so ready to share that great smile and always took the time to stop and have a little chat. The class of '64 lost a great friend and we will miss him.
