Millie enjoyed traveling, scrapbooking and her angel, coin, and stamp collections. She was a devoted homemaker, mother, and loved attending all her grandchildren's and great-grandchildren's activities. Millie could be described as a "spunky" lady, always enjoying a good card game and loved to bowl. Her favorite song was "Angels Among Us." Mildred was a longtime member of St. Joseph's Catholic Church in Dedham.

“ Millie was a wonderful friend to my mother and our family. My mother taught in a one room school and Millie would help mom and the children celebrate by dressing up as Santa and delivering presents. I loved hearing the stories of those times including dating during the WWII. I attended several class reunions with them. She will be missed. I feel fortunate to have known her.

“ *I'll always remember Millie fondly. I was a brand new teacher fresh out of college and I thought I knew a lot. I remember the conferences I had with Millie. She would sit and nod patiently and listen. I've often thought she knew more about kids than I ever did and yet she never let on during conferences. Thanks, Millie!*

I also loved her bowling pin fences around her yard! So unique and so her. She will be greatly missed by everyone.

“ *My sympathy to all of Millie’s family. May she rest in peace. What a wonderful lady she was. She was also a fantastic neighbor to my parents when they lived across the road and then for me when I moved to the farm. Always enjoyed our chats, lots of times at the end of our driveways. Always so nice knowing she was there. What a wonderful and long life she lived.*

“ I had the pleasure of taking care of Millie at Swan Place. I loved having her stop by office. As soon as she saw my light on in the morning, she would be at my door. She loved helping me plant the flowers each spring and she was adamant about having no weeds in the flower beds. She attended all of my activities and she was always so thankful for everything I did. She was always dressed so nicely with her blazers. She was a very special lady to me and I still think of her often.

“ I LOVE, LOVE, LOVE THIS BEAUTIFUL YOUNG LADY! I was one of the many beautiful, caring ladies and gents that gladly looked after Millie! I loved her SO much! I will NEVER forget the suit jackets she wore that were just "HER!" I loved her stories and she ALWAYS THANKED ME and she always grabbed my face and would just put her head in my head and hug me for like minutes and minutes! Even in silence she thanked me! I miss her SO much already! My condolences to her family. She will be greatly missed!!!!
