Wish we were there to hug you in person. Give Lakelyn a big squeeze. We take life such as hers for granted. They are all miracles. Everyone has a story, but none are as important as yours at the moment. As time, and life, goes on the hurt will subside but the memory will not be forgotten. We don't know why bad things happen to good people. You are good people. Know that you are in our aching hearts and our prayers. God be with you. Jean & Paul
