“ As a young child, I thought Aunt “Normie” was so pretty and so nice. As I grew up, my thoughts remained the same, and I thought she and Howard were such a good looking couple. I was mesmerized by their wedding. We always looked forward to there visits when they would come home to Arcadia and bring gifts for “everyone”. We visited them when they lived in New Jersey and they made us feel so welcome. She and Howard were an inspiration to us.

*I remember so well when Howard, Norma, Mary Anne and Doug came to Arcadia to visit us and the Schmitz family. I think I am the last remaining member of the Berger family. I am not able to attend the funeral but my thoughts and prayers are with Mary Anne and the rest of Norma's family.*

*When Norma and Howard lived a few doors down from us in Carroll, we had such good memories as neighbors and as friends. When the grands came, they would take the RV and take Jeni along for outings. Mike and I did visit them in Arizona, as Norma would say “It’s 5 o’clock somewhere”, even though it was only noon. Loved them both. God Bless them, they are together now.*
