“ Pudy & Family. You have our deepest sympathy. We got to know your dad through all the KHS volleyball and softball games our girls were involved in. He always had a GOOD word about them too! And he always knew their stats better than us! God Bless you Pudy for always being there for your dad and keeping him involved. "Be kind to your father and it will be repaid a hundred fold". I think of you and your dad every time I hear this saying and I always think "Can you imagine how many times our dads took us places and it would've been easier to leave us at home?" “ To the Family of Norm,

We are so sorry for the loss of your dad. I have so many fond memories of Norm. The ones that stick out the most are: Norm enjoyed playing cards, going to ballgames and keeping up on the news around town. He liked going out for coffee,rides around the lake, and him and i deciding whose turn it was to pay when we went out for a bit to eat. I always told him it was my turn although he didn't want me to pay.

It made us very Happy to have gotten to know Norm over the past 4 years and listen to all of his great stories of being a farmer and he was good listener. We will miss having Norm in our life..he was great guy ! He always made sure I was keeping my kids doing their homework and to kept them in school for an education. Tasha and Tony enjoyed visiting with Norm about all sorts of topics. Thanks Norm for coming to Tasha's volleyball games. This summer when Tasha plays softball for high school I know you will be watching her play..maybe she will hit a home run for you...She liked seeing you in the crowd. Although Eric only met you a few times he really liked you and thought you were a good guy. Norm know you are missed greatly..! So glad you were in our lives and your "short friend" I will always be. If there is anything we can do please let us know. May God be watchful over his family. Your Dad had a great impact on so many people and he really cared.

“ *Carroll Congregate meals is very sorry to hear about the passing of Our Dear Friend Norm. Norm enjoyed playing cards, (which I am still waiting for my nickel you owe me Norm did I owe you..?).... He really liked coming to the rec center to see play bingo, exercise and socializing with others. He was one that was very helpful and would take on any task big or small it didn't matter as he wanted to help out. He liked it when I would have bingo and his numbers on the card would be called so he could yell out "bingo". It wasn't always the prize he was excited about but winning more than once meant he was having either a good time or he would tell us to give him a different card. He was always very friendly and caring to those he met. May God Bless him and watch over his Family during this difficult time. See you later Norm...you will be Greatly Missed.*

“ Our sympathy is extended to 'Norm's' family. I always looked forward to The Bud Open Slowpitch Softball Tournament....those were the special times I got to have the pleasure of having Norm sit with me in either the beer garden or the food stand....he enjoyed tearing those tickets off...yes, he made mistakes and we would joke about 'guess neither one of us is perfect, huh?' I will miss those times. Puddy..thanks for letting me have those memories. Blessings to Norm's family.
