“ Aunt Pearl was my godmother and she never forgot my birthday, and she forgave me for not remembering when hers was. I always confused it with Grandma Staley's birthday. She would call me laughing! I will so miss hearing from her. She was a very special person and will always have a place in my heart and memories.

“ A hard worker, but even nicer person. Grandma Pearl was always so fun to talk to and hear her stories. She genuinely cared about every person and had the best memory for knowing so many people. “ Pearl Quandt was like a second mother to me. She and Harry were my second parents because I spent so much time with Doris at their house and she also did at our house. I have admired Pearl for these long many years that I've known her. She's a remarkable woman. She will be missed by so many people. My condolences to the whole family. I am with you in prayers and love and remembrances of your beautiful mother.
