“ Randy & many Seabee's were very very close for years. It was a heart break to hear he has past. Matt, I'm sorry because I couldn't make it to the funeral & I feel our friends like you & your dad are far & few in between. He will be missed. He was our friend, military adviseor & ran the weapons qualifications at Offutt AFB for us. The only good thing out of this is he is with GOD & I know he is in good hands.

“ Sorry for your loss, our prayers are with you! Randy and I were friends in high school and we had some good times. After high school we did business together and that's where I really got to know him, he was always positive, happy and most of all fair and honest. He will be missed!

Our prayers are with the Romey family for such a early loss. Randy and I shared many great times in Sacred Heart Catholic and then Kuemper Catholic. He was a true friend and will always be missed. Our stories would be long but always with a smile. God Bless

Thoughts and prayers for the entire Romey family. Randy and I were childhood friends and grew up together in Sacred Heart School and Kuemper Catholic High School (Class of '66). Randy and I shared many life-growing experiences together. Because he was a "kid from town," his home and family were always a great place for a "farm kid" to visit. The world feels a little emptier, today.

Our prayers go out to Randy's family. We became very close to Randy in the last few years. He did a lot of work for us and in return we did work for him. We helped him get ready for his grandchildren visits with games, go-cart race tracks, swimming composition, and many other fun events. We will miss him very much but not as much as his grandchildren. He was a great grandpa.
