“ *My Deepest Sympathy to the family of Richard Knapp. The loss of a love on is very painful, something I know personally. What helped me wwas my knowledge of the Bible. I learned from the Bible is , that it was never Gods purpose for us to Die. Thats why at 1corinthians 15:26 Death is called our enemy. I also know from the Bible which is God's Words that he's going to do away with sickness and Death read Revelation 21:3&4. Isn't that wonderful? But not only will get rid of Death, but he will bring back our Dead love ones read John 5:28&29. These are the scriptures that helped me. I hope they help you also.*
