“ Bertie served as a volunteer for St. Anthony nursing home for @ 10 years daily including weekends. She absolutely loved her role. The best part of her ministry was the " new life" she experienced in her ministry.

Bertie was a "GIFT". May she rest in Peace.

“ I met Bertie at Orchard View and loved visiting with her at Coffee in the morning. She shared many stories of her life as a nurse and tales of traveling with her friends. Bertie had a way of telling her story that would bring such laughter and joy. I am so grateful to have known Bertie and will always think of her with a smile. I do believe she was one of God's special angels here on earth. Thank you , Bertie.
